

CRAFT AUCTIONS

The Craft Auction was initiated in the early 1980's as a way to fund the cost of providing quality awards to winners at National Rex Shows and ARBA Convention Rex Shows. The auctions are conducted as part of the Rex Club Awards Banquet held at both events. Supportive members donate and purchase a wide variety of both hand-crafted and purchased items. Funds received are assigned to the Club Show Fund and provide for at least 68 quality Open and Youth Awards offered at each event. During the past few years, these Auctions have averaged almost \$1,700 per event.
