

National Rex Rabbit Club, Inc., National Judges Committee Policy

1. The policy of the National Rex Club is to give each and every qualified member two suggestions in the selection of the National Convention Judges per year by general election ballot.
2. The list compiled from this balloting will be presented to the National Rex Judges Committee. This committee shall consist of at least five (5) outstanding members of the NRRC who are experienced, interested and involved and who are regular exhibitors at the National Conventions. The members are to represent the different areas of the United States.
3. The entire list of suggested judges shall be reviewed by the National Rex Judges Committee, taking into consideration the suggested judge's integrity, capability, qualification, disposition, experience, reputation and availability for the year(s) considered. The National Judges Committee will develop a list of not less than five (5) and not more than twenty (20) judges in order of desirability.
4. The list of recommended judges from the National Judges Committee shall be presented at the biannual fall convention Executive Board meeting for approval by a simple majority vote. Any judge may be stricken from the list by a simple majority vote of the Executive Board.
5. The final approved judges list from the National Judges Committee and the Executive Board shall be presented to the National Rex Club President, in order of desirability, for hire. Notification of desire to hire such judges by the Rex Club from this list must be executed within fifteen (15) days to insure availability sought by the National Judges Committee. The Rex Club President shall be responsible for notification of our recommended judges to the ARBA Convention Show Committee for Open and Youth Rex.
6. It is the recommendation of the National Judges Committee and it has been mandated by the general Rex Club membership that the judges hired for the Convention Open Rex Show, in part or in whole, are to be the same judges hired for the Convention Youth Rex Show.
7. The National Judges Committee suggests a ten (10) year in advance contact for judges to the National Convention in order to obtain desirable and credible judges. The National Judges Committee will not recommend judges that have been hired for the National Convention or the National Rex Show in the concurrent year.
